Case 08-RD-160148

Dear Mr. Cole:

This letter acknowledges receipt of your Request for Review of the Regional Director's Decision to Dismiss in the above-mentioned case.

Sections 102.67(c) and (d) of the Board's Rules and Regulations provide that:

(d) The Board will grant a request for review only where compelling reasons exist therefor. Accordingly, a request for review may be granted only upon one or more of the following grounds:

- (1) That a substantial question of law or policy is raised because of (i) the absence of, or (ii) a departure from, officially reported Board precedent.
- (2) That the Regional Director's decision on a substantial factual issue is clearly erroneous on the record and such error prejudicially affects the rights of a party.
- (3) That the conduct of the hearing or any ruling made in connection with the proceeding has resulted in prejudicial error.
- (4) That there are compelling reasons for reconsideration of an important Board rule or policy.

(e) A request for review must be a self-contained document enabling the Board to rule on the basis of its contents without the necessity of recourse to the record; however, the Board may, in its discretion, examine the record in evaluating the request. With respect to the ground listed in paragraph (d) (2) of this section, and other grounds where appropriate, the request must contain a summary of all evidence or rulings

bearing on the issues together with page citations from the transcript and a summary of argument. Such request may not raise any issue or allege any facts not timely presented to the Regional Director.

Your request for review, filed on June 29, 2016, fails to satisfy any of the above requirements, and therefore will not be considered by the Board. You may conform your request for review to meet the requirements set forth above, and re-file the request for review with the Board in Washington D.C. by **Wednesday, July 13, 2016**.

Furthermore, contrary to the Board's Rules and Regulations, you have not filed with the Board an affidavit of service showing that the request for review had been served on the Employer, the Union, and the Regional Director for Region 8. See Section 102.114 of the Board's Rules and Regulations. Accordingly, you must provide proof that your request for review has been properly served on all parties in an Affidavit of Service to be filed in conjunction with your conformed request for review by **Wednesday, July 13, 2016**. Failure to file this affidavit may result in the rejection of your request for review.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
